Cookie Cupboard Tips to Make Your Trip a Breeze

- If you are requesting a LARGE order of cookies, please utilize the Planned Order feature on www.abcsnap.com to ensure the cookies you are requesting are available. Once your order is ready you will be contacted to pick them up!
- GSDH allows any Troop Leader, Co-Leader, parent or CSC to pick up cookies at any time, however your Service Unit or Troop may have set different guidelines. Please always double check with your Troop Leader before picking up additional cookies from the GSDH Cookie Cupboard. Also make sure you have the following information with you to pick up cookies:
 - 5 Digit Troop Number
 - Troop Leader's Name
 - Service Unit Name
 - Girl Scouts Full Name (if cookies are for 1 specific girl)
- Keep in contact with your Membership Specialist about picking up more cookies. This way we can guarantee we will have the inventory you need. Troops are asked to place a Planned Cookie Order via Snap for additional cases of cookies needed.
- Keep selling even after you run out of cookies from your Initial Order. Cupboards have cookies available until March 24th. **Set your goals and go for them!**
- Have TOO many cookies? Contact us! We are more than happy to help you find another Troop that needs more cookies.

Last Call for Cookies!

The final two weeks of the cookie sale March 12-24, 2012 cookies will be available at the Cookie Cupboards on a first come first serve basis. GSDH will NOT be reordering cookies to stock the cupboards. Any Troops needing cookies to fill orders MUST place a **Planned Cookie Order** if they need varieties that the cupboard does not have available. Troops are financially responsible for any cookies orders placed via a Planned Order.

NOTE: The FINAL Planned Order will be accepted on Sunday March 18, 2012 at midnight for delivery by Friday March 23, 2012.
