

Product Sale Money & Product Tracking Form

Girl Scouts will be collecting money as they sell products. The amount of cash troops will receive throughout the sale will be very large. For safety reasons we STRONGLY encourage troops to turn in any funds collected throughout the sale to their local GSDH Office. Please submit any money (checks only please!) troops have collected to your local GSDH Office or mail checks to the Sioux Falls Office via CERTIFIED Mail. When checks are being transferred from the Girl Scout to the GSDH Office, please have each party sign for the money and count the total received together.
